Welcome to PSLA’s EFS!

The EFS Enrollment Application is the first-step towards submitting filing information electronically to PSLA. Before a Licensee’s filings can be submitted electronically, they must review and sign the two enclosed documents. If this is the first time any Licensee in your agency is requesting to make filings electronically, be aware that each licensee associated with your Agency’s PSLA Customer ID number must complete an EFS Enrollment Application before any Login ID and Password can be issued to your agency.

**Document #1: Responsibility for Electronic Filing Authority and Accuracy**

The purpose of this document is to outline the responsibilities assumed by the Surplus Lines Licensee within the electronic filing submission process. It is also used to identify the administrative user within the Agency.

PSLA will create a User ID and Password for one Administrative user within each Agency. In turn, the Administrative user is responsible for creating any additional User IDs required by that agency, as well as managing system permissions and resetting passwords. Please note: there can only be one Administrative user created for each PSLA Customer ID number.

**Document #2: Terms and Conditions of PSLA’s Electronic Filing System**

This document describes the general terms and conditions associated with use of the EFS.

Once each Licensee associated with your agency reviews and signs the two enclosed forms, please return them via fax or email to Agency Services (agencyservices@pasla.org). Once approved, an Administrative User ID and password will be emailed to the individual identified as the administrative contact.

If you have any questions or concerns, please contact Agency Services at 610-594-1340 and select option 1.
Responsibility for Electronic Filing Authority and Accuracy

I, _________________________ (Individual licensee name), licensed by the Pennsylvania Insurance
Department as a Surplus Lines Licensee for __________________________ (Agency Name) PSLA Customer
ID# ______ hereby assign ___________________________ (individual’s name) as the Administrator for
creating and maintaining user ids and passwords for access to PSLA’s electronic filing system (EFS). In
addition to managing user ids, I understand that the Administrator is responsible for assigning and maintaining
access rights and permissions available within the system for each user id created.

I further understand that any electronic filing identified by my customer identification number, agency and
individual surplus lines license number, and entered by any user shall have the same force and effect as a
hard copy SLL Affidavit, signed by an individual duly licensed for surplus lines affiliated with said agency and
mailed to PSLA. I further understand that PSLA shall neither monitor nor be responsible for any unauthorized
use of assigned user ids or passwords.

PSLA is not responsible for disabling accounts when a user leaves my employ and it is my responsibility to
inform PSLA when an administrator leaves and give PSLA the new administrator information. It is also my
responsibility to contact PSLA whenever a filing return contact person changes so corrections to filings can be
submitted to PSLA in a timely manner.
