SUBJECT: Approval of the Proposed Distribution of Funds

I am pleased to report that after calculating the eligible ballots received, at the PSLA Annual Meeting on May 8, 2014, the proposal relating to the Membership division as stated below was passed and the Board will now move forward with the approved plan.

Membership Division – Proposed Distribution of Funds

The Membership generally authorizes the Board to do all things necessary for PSLA to restructure the mission of its Membership division to provide for the endowment of all Membership funds, less those amounts required for administration, to an organization(s) to be selected by the Board consistent with the criteria as was outlined on the ballot distributed to all members, and to terminate the accounting aspect of the Membership division when all such funds have been exhausted.
