SUBJECT: Urgent – EFS Login ID's

The Pennsylvania Surplus Lines Association (PSLA) will be deploying a new version of the Electronic Filing System (EFS) the "Next Generation" by Monday, April 25, 2016. The filing process has not changed.

However, security is, and has always been, an important practice at PSLA. As with all best practices a new feature in this next generation is that each user must have their own Login ID. The use of concurrent logins and sharing of Login ID's will not be supported. Please contact your Agency Administrator to confirm your Login ID.

Should you have questions please contact PSLA at 610-594-1340 or [customerservice@pasla.org](mailto:customerservice@pasla.org).

You are receiving this email as you have been identified as the contact to receive bulletins, updates and/or notices of changes from PSLA. Please distribute this notice to all licensed surplus lines licensees in your agency and anyone else in your agency deemed appropriate.
